Parents' Association Annual Flower Sale

HAPPY 2017! The Flower Sale Committee encourages you to think spring! So go ahead, grab a cup of warm coffee, or tea, and dream of sunshine and flowers. We have kept most of our popular varieties from last year; however, we do have a few new items.

This year's flower sale will again be held at Kirk Campus – only 3 miles from the CSG main campus in Bexley, located at 1885 N. Cassady Ave., 43219, just north of I-670. Remember, we also offer delivery.

We are excited to announce that you can now order flowers online! To place your order, go to the CSG website at www.columbusschoolforgirls.org and look for the large Flower Sale banner rotating on the homepage.

Don't have time for a garden this year? Consider a donation of vegetables to the Upper School service project. During the 2016 May Program, the Upper School students and area volunteers were able to plant approximately 81 flats of vegetables in Columbus area community gardens. Thank you for donating to this cause and supporting our Upper School girls in their service effort.

Your support directly benefits the students at CSG. Past funds raised have been spent purchasing books for the Program for Young Children, funding Lower School chapels, assisting Middle School theater productions, buying athletic equipment, and supporting the Upper School Robotics team.

Thank you for supporting the flower sale, and we look forward to your order!
