

# Columbus School for Girls

## *She will know her power.*

### *Application Checklist*

#### *PYC Age Requirement*

- 3/4 Year Old Class • for girls who turn 3 by August 1
- 4/5 Year Old Class • for girls who turn 4 by August 1
- 5/6 Year Old Class • for girls who turn 5 by August 1

#### *Parent Meeting*

Call the Office of Admission to schedule a parent meeting with an admission director. We look forward to learning more about your daughter and helping you get to know CSG during this meeting. Please allow one hour and fifteen minutes for your parent meeting, which includes a tour of campus.

#### *Application Form*

Families should click 'Apply Now' on CSG's website, columbuschoolforgirls.org, to create an account on our application hub (Ravenna). The application and supplemental forms are available within that portal. Complete the online Application for Admission and submit with an application fee of \$50. Please include a recent headshot photo of your daughter.

#### *Parent Questionnaire*

Complete and submit the online parent questionnaire.

#### *Assessment*

Applicants to the PYC are scheduled for a visit on a Saturday morning Assessment Day in January or February. We will contact you to schedule this visit after an application and parent meeting are complete.

#### *Introduction Video*

Submit a 45 second to 1 minute video (filmed on a mobile phone or smart device) of your daughter interacting with an adult in your family. She could be sharing a favorite book, playing dress up, or building with blocks. The goal is to show an authentic interaction between your daughter and an adult with natural dialogue and conversation. Please be sure your daughter is talking throughout the video. The video will only be viewed by the Admission Committee with no public access.

#### *Teacher Recommendation*

If applicable, send the online teacher recommendation form to your daughter's current teacher or child care provider. The teacher will electronically send the recommendation form back to CSG.

### *Program for Young Children*

2024-2025  
Ages 3-Kindergarten
