

Columbus School for Girls

She will know her power.

Application Checklist

Parent Meeting

Call the Office of Admission to schedule a parent meeting with an admission director. We look forward to learning more about your daughter and helping you get to know CSG during this meeting. Please allow one hour and fifteen minutes for your parent meeting, which includes a tour of campus.

Student Visit

A student visit will help your daughter get to know CSG! Register online for a shadow day or contact us to schedule an individual visit.

Application Form

Families should click 'Apply Now' on CSG's website, columbusschoolforgirls.org, to create an account on our application hub (Ravenna). The application and supplemental forms are available within that portal. Complete the online Application for Admission and submit with an application fee of \$50. Please include a recent photo of your daughter.

Parent Questionnaire

Complete and submit the online parent questionnaire.

Student Questionnaire

Students complete and submit the online student questionnaire with essay.

Interview

The interview is a chance for us to get to know students individually, learn more about their interests, and offer them a chance to ask more questions. Interviews last about 20 minutes and are typically built into visit days.

Testing

CSG requires the Independent School Entrance Exam (ISEE). Registration is available at www.iseetest.org (CSG offers three testing dates).

Recommendations

Send the online recommendation forms to your daughter's current Math teacher, English teacher, and Principal **or** School Counselor. They will electronically send the recommendation forms back to CSG.

School Records

Send the online Transcript Release Form to your daughter's school office. The records will be sent electronically back to CSG. They should include a copy of this year's most recent grading period.
